Bethel UCC extends a **special welcome** to all our **recent visitors** to worship with us on Sunday, **January 27th** ...and then stay for a particularly warm (literally and figuratively) welcome at **fellowship hour** afterwards when we'll be serving **chili** and **cornbread**.

It's an opportunity to see and meet others, like you, who are seeking a faith home ... as well as an extended time for conversation with Bethel members.

So "take the chill off" the bleak mid-winter with hot chili and a warm welcome to Bethel UCC all over again!
