

EIGHTH ANNUAL NORTHERN VIRGINIA INTERFAITH PRIDE WORSHIP SERVICE

People of Faith for Equality in Virginia (Northern Virginia Network) welcomes all LGBTQ people and straight-supporters in a service of celebration inclusive of all faith traditions and expressions.

The service of praise and prayer will gather under the theme:

***“Build Our Future Bright:
A Global LGBT Jubilee—From Marshall-Newman to Bostic v. Schaefer.”***

The service will take place on **Thursday, June 5, 2014** beginning at **7:00 p.m.** It will be held at Little River United Church of Christ, 8410 Little River Turnpike, Annandale, VA 22003, located directly across from the Northern Virginia Community College-Annandale Campus.

The prayers of many individuals and faith communities have called out for many years as their passion towards justice under the law for all sexual orientations and gender identities has led their advocacy and mission work. In 2006, a group of faith leaders sought to bring the LGBT-supporting congregations in Northern Virginia together to stand against the Marshall-Newman Amendment and continue to work for equal treatment of same-gender loving people under the law of the Commonwealth. Eight years later, the ruling of the US District Court on the Bostic v. Schaefer case brings that spirit to a new place.

This service welcomes all people of who gather the full diversity of faith expression in support of the LGBT community in Northern Virginia. Through the different holy scriptures of diverse faith communities represented, those gathered will celebrate the love between creator and creation for the unique and intentional beauty of each individual. Through spoken word and sung song, the rainbow hues of creation will shine out the fullness of the human condition.
