Autism

Statistics show that one in every 68 children in the United States is affected by autism—costing families an average of \$60,000 per year.

Bethel United Church of Christ and **Autism Speaks** present a special Arlington community and Autism Awareness Month showing of

“Sounding the Alarm: Battling the Autism Epidemic”

Sounding the Alarm is a documentary that examines the lives of 12 families affected by autism and chronicles the challenges and opportunities they face from diagnosis to adulthood. A **panel discussion** follows with:

- **Deborah Hammer**, Autism Specialist, Arlington County Public Schools
- **Dr. Jennifer Ulbricht**, Child and Adolescent Psychologist, Fort Belvoir
- **The Rev. Todd Thomas**, Senior Pastor, Church in Bethesda
